

Only BT gives you reliable wi-fi in every room or £100 money-back guarantee with Complete Wi-Fi.

For complete certainty we'll provide up to three wi-fi discs and send out an engineer to your home. If you still can't get reliable wi-fi then we'll give you a one-time credit of £100 off your next bill.

We have reviewed the details of all 90 Broadband Internet Service Providers that we have identified as providing fixed broadband services across the UK.

Broadband provider	Does the broadband provider state they guarantee reliable wi-fi in every room, or £100 money-back guarantee?
